[summary and reviews of traffic by tom vanderbilt](#)

"Tom Vanderbilt uncovers a raft of counterintuitive facts about what happens when we get behind the wheel, and why." - BusinessWeek. "A literate, sobering look at our roadways that explains why the other lane is moving faster and why you should never drive at 1 p.m. on Saturday." - GQ.

[explanation of why traffic happens business insider](#)

Tom Vanderbilt, author of Traffic, gave a great 20-minute overview on the counterintuitive science of congestion at the Boing Boing: Ingenuity conference in San Francisco last month. Turns out a lot of the problems we ascribe to poor roads or other drivers are really our own fault. "[T]he individual driver cannot often understand the larger traffic system," says Vanderbilt.

[traffic why we drive the way we do and what it says](#)

Traffic - Why We Drive The Way We Do (and What It Says About Us) by Tom Vanderbilt seeks to explore this most mundane of everyday activities. Driving and Traffic are technically separate but closely related subjects and Mr. Vanderbilt provides a fascinating discussion of both.

[traffic quotes by tom vanderbilt goodreads](#)

Human attention, in the best of circumstances, is a fluid but fragile entity. Beyond a certain threshold, the more that is asked of it, the less well it performs. When this happens in a psychological experiment, it is interesting. When it happens in traffic, it can be fatal. Tom Vanderbilt, Traffic: Why We Drive the Way We Do
